## ServiceMaster of Hamilton recognizes the contributions of Harmanpreet Kaur

**September 13, 2024** – Since joining ServiceMaster of Hamilton, Harmanpreet Kaur has proven herself to be an integral part of our team. Harmanpreet is not just an *essential* employee for us, she is an **EVERYDAY HERO** for simply being who she is!

While not having been a member of our ServiceMaster of Hamilton for long, Harmanpreet has very quickly proven herself to be an integral part of our team. It is Harmanpreet's dedication to her work that makes her indispensable! Harmanpreet is always prepared to jump in to assist with any task at hand. And not only does she jump in, but she also does a remarkable job, no matter

what the job may entail, from ensuring that restrooms are spic and span to various deep cleaning projects!

We are certain that we would not be as successful in what we do without Harmanpreet on our team!

*"Thank you, Harmanpreet, for your smile and dedication and simply just being you!  
You are most certainly our **EVERYDAY HERO!**"*
