

FOR IMMEDIATE RELEASE

ServiceMaster of Hamilton

recognizes the contributions of

Babita Sharma

June 10, 2022 – While Babita Sharma may have only joined ServiceMaster of Hamilton in the past year, she has quickly shown that her outstanding work ethic is a valuable asset to any employer! Babita is not just an *essential* employee for us, she is an **EVERYDAY HERO** to us for simply being who she is!

As one of our Cleaning Associates with our customer Amazon, Babita not only makes certain that she completes her cleaning tasks to perfection but also contributes by recommending suggestions on how the process may be improved! Babita's commitment not only makes the Amazon facility shine but also makes us shine!

We are certain that we would not be as successful in what we do without Babita on our team!

*"Thank you, Babita, for your continuous commitment and simply just being you!
You are most certainly our **EVERYDAY HERO!**"*
