ServiceMaster of Hamilton recognizes the contributions of **Brij Chabanlall**

June 10, 2022 – Brij Chabanlall has been proudly serving the customers of ServiceMaster of Hamilton for over 23 years. Brij is not simply an essential employee for us, he is a true ambassador of our business and most definitely our **EVERYDAY HERO!**

Having started with us as a Cleaning Associate, Brij's work ethic, reliability and sense of professionalism became quickly apparent earning him a speedy promotion to Area Supervisor. During his over two decades with us, Brij has served more than 300 clients for us including the City of Hamilton, First Ontario Credit Union and E.D. Smith. More recently, as our Operations Manager for a key customer, Amazon, Brij has gone above and beyond the call of duty, often working 12 hours a day, 6 to 7 days a week!

It is Brij's unique quality of soft-spokenness with a firm hand that endears him not just to us but also to our customers and the staff that he oversees as he carefully ensures that not only is everyone properly equipped to do the tasks at hand but also to do them safely! We are certain that we would not be as successful in what we do without Brij on our team!

*"Thank you, Brij, for the careful attention you put into everything you do and quite simply just being you!
You are most certainly our **EVERYDAY HERO!**"*
