## ServiceMaster of Hamilton recognizes the contributions of **Matt Springstead**

**June 10, 2022** – Matt Springstead has been proudly serving the customers of ServiceMaster of Hamilton since 2009. Matt is not just an *essential* employee for us, he is an **EVERYDAY HERO** in our business for simply being who he is!

As a long-standing employee, we have come to know Matt as not simply an essential member of our team but as our own Superhero Supervisor. Matt always shows dedication to getting the job done right and to supporting his team on how to get there! We always know that if an issue or a challenge arises, we need only to send Matt in to help us get it resolved! Matt's work ethic and commitment has truly been remarkable!

We are certain that we would not be as successful in what we do without Matt on our team!

*"Thank you, Matt, for always being at the ready and simply just being you!  
You are most certainly our **EVERYDAY HERO!**"*
